Dear Lyn & all at Alder Valley Brass

Thank you so much to you all your members for their wonderful support and for raising a wonderful **£350.73** for Phyllis Tuckwell at your December collection. We are so grateful for your ongoing support and in context this donation could pay for ten patients to have a massage or other complementary treatment to help ease anxiety, pain or other uncomfortable symptoms.

On **26th February 1979**, after five years of planning and extensive fundraising, Phyllis Tuckwell opened the doors of its Hospice in Farnham, ready to support terminally ill adult patients in the local community - and now we are celebrating 40 years of that invaluable compassion and care.

Through the years we have expanded and adapted our services, and now support over 250 patients, relatives and carers a day - in their own homes, in the community, at the Hospice in Farnham and at the Beacon Centre in Guildford. As only 20% of our costs are covered by the NHS/Government, we continue to rely on our community for their support and quite simply **without your fantastic fundraising we would not be here.**

Your new uniforms looks great and we look forward to working with you on a concert this October!

Yours sincerely,
